Meet Our New President - Elaine "Queenie" Daligdig

Aloha KAFCE members.

Just a little about myself. I was born in Honokaa, Hawaii, raised at Waimea Falls (Oahu a North Shore girl) and moved to Kauai in 1970. My mother, the late Elaine Taira and my step-father Bob Taira moved to Kauai in 1965. I attended Wilcox Elementary 5th and 6th grade. I'll never forget handsome Mr. Hashimoto (sorry Margo all the girls admired him) and Mr. Nagata (firm and a kind heart). I then moved to Wailua Homesteads in 1972. After Intermediate 7th and 8th grade at Kapaa, I attended Kamehameha Schools as a boarder. I have 2 sisters, House Rep. Dee Morikawa, and Dianne Richey in CA. A brother, Herbert Ah Puck in Puihi, graduate of Kauai High. After graduating, I attended KCC and later married in 1979. Becoming a full-time mother, I volunteered many hours with Head Start (KEO). That was my first experience with homemaking and crafts with Mrs. Joyce Hanohano and Mrs.

Geri Hamada.

I have three wonderful children, Victor (Kainoa), Violet (Pua) and Vance (Ikaika) Pezario. I am a "Grammie" of six of the smartest and loving grandchildren in this universe with a new grandchild arriving in October. I was very active in all their youth activities mainly sports. Now I am enjoying watching my grandchildren doing what my children love to do.

My interest is Hawaiian music, playing the ukulele and I love my hula. My former marriage was for 13 years. My present and best friend my husband, Ted Daligdig III, married now for 7 years after being together for 23 years. He understands that when I start baking there must be a meeting. Our family and KAFCE is very important to me. I also volunteer with the Kapaa AJA (American Japanese Baseball Association). I'm 100% retired from the State of Hawaii, Department of Defense, Hawaii Army National Guards after 29 years of service at the Kapaa Armory. We both enjoy traveling, the benefit of retirement.

I got more involved with KAFCE, with my late aunt Leimomi Hee and my husband's classmate and friend Jo Shimamoto. I have learned so many things and love the fellowship with all you members.

This is a new journey for me and I will truly dedicate my time as your President. My first goal is to memorize the FCE Creed and Mission Statement. I challenge all you members to do the same.

Mahalo Nui Loa,

Queenie Daligdig
