GUEST SPEAKER - URI MARTOS, Hawaii Community Foundation Philanthropy Officer, receives donation check from KAFCE President, Queenie Daligdig, to benefit victims of April 2018 Flooding. Kaua’i is known to the foundation as one of the most “generous” communities. Sanae Morita's, Waimea H.S. (WHS) Class of '52 established a \$25K endowment to fund college scholarships in perpetuity to WHS grads. The Annie Sinclair Knudsen Memorial Fund, specific to Kaua’i, covers a broad range of community needs, including culture and arts, education, environment, health and human services. Online grant applications provide a quicker, flexible response in obtaining funds to help communities especially during emergency situations like the flooding.

### PRESIDENT'S MESSAGE

KAFCE, we did it again by having the most members (Statewide) that attended their island 2018 FCL Leadership Training in October. A surprise trick-or-treat tribute to Joan Chong as we presented her with treasurable gifts from Kauai. We shared delicious dishes from Costa Rica and the Philippines at the International Day. Ending our 2018 year with a wonderful Christmas party.

My first year as KAFCE President was exciting and I'm looking forward to 2019 as my last year as President. Upon all this, I'm the HAFCE Vice-President and looking forward to learning more about our organization and working with newly elected President Ruth Haisuka. As always, what a fun Achievement Day! 2019 is the Year of the Pig. Piggy's don't forget to wear RED this year! In 2020 Kauai will be hosting the State Convention. A BIG Mahalo to Maurina Borgatti, for accepting the Convention Chairman position. Please support her when she calls you to help and let's continue to make Kaua'i the best place to convene. I will be installed as the new HAFCE President and it couldn't happen in a better place than on your own island. Keep your booklet with the calendar of events close to you for dates. I want to thank you all for your support and I'm looking forward to an Oink Oink year. See you all at our events and meeting. Stay safe and God Bless.
